## Press release

### Concerning: Recall from the market of goat cheeses, due to suspicion of presence of metallic foreign bodies

#### Products and shelf lives + batches concerned:

Item number	Product name	Batch number	Best before date
1195 	Président Sainte Maure 200 g	227AD05192, 234EC05192, 241AD05192, 241DD05192	06.10.22, 17.10.22, 20.10.22, 23.10.22
20321 	Président Gederulle 1 kg	237ABP360	24.10.22
20279 	Président Le Chèvre 400 g	235AE1495	04.10.22

The products mentioned above, are recalled from the trade as of today, as a precautionary measure due to suspicion of presence of small metallic foreign bodies on these batches.

Persons who have purchased and still hold the above products are asked not to consume them and destroy them.

The products are made by the dairy Société Fromagère de Riblaire, 16, rue Chauveau, Riblaire, F-79330 Saint Varent in France and imported by Lactalis Danmark A/S, Industrivej 14, DK-3320 Skævinge, Denmark.

We take the incident seriously and are therefore carefully examining the cause of this problem and actions to prevent this from happening again are launched. The satisfaction of our consumers is our priority, and we are committed to always offering quality products.

Best regards,

Lactalis Danmark  
Industrivej 14  
3320 Skævinge
